PRO-GAMES POLAND - LEADING PRODUCER OF BOXER MACHINES WITH A GLOBAL DISTRIBUTION NETWORK

MANUFACTURED FOR ENTERTAINMENT

Professional boxing machines and amusement equipment built to attract players, increase engagement, and generate revenue worldwide.

About Us

PRO-GAMES POLAND

PRO-GAMES POLAND is a leading Polish manufacturer of amusement machines, specializing in Boxer arcade machines since 2012. With over a decade of experience, we have earned a reputation for delivering durable, high-performance, and visually appealing machines that attract attention and generate high revenues in entertainment venues around the world.

Our Boxer machines are designed and built entirely in Poland using top-quality materials and innovative technology. We focus on functionality, reliability, and modern design, ensuring our products meet the highest standards of the amusement industry.

We proudly serve customers across Europe and beyond, offering both standard models and customized solutions tailored to individual needs. Whether you operate an arcade, amusement park, sports bar, or event company, our machines are a proven investment that delivers long-term entertainment value.

At PRO-GAMES POLAND, we combine precision manufacturing with a passion for fun-because we believe amusement should be as strong as the punch!
